“ Sharon and Kids, I am so very sorry for your loss. Dick was the greatest MAN I have ever known in my life. He was more like a brother to me than a cousin. I will miss him just as much as all of you do. He taught me so much about working with antiques and so much more. Like all of you I just can't believe that he is gone but he will live in our hearts forever. We will all see him when our time comes.
