“ Oh Maxine. We are SO belated in reaching out to you. Please accept our apologies and condolences. We will make a memorial donation in Stan's honor at the Iowa Arboretum which both of you have so generously supported. Sent with love, Nan Bonfils and Don Adams

“ I didn't know Stan but I've been blessed with the friendship of his wonderful daughter who shared fun stories with me about him. What a good guy! It comes as no surprise to read about him being such a man of high standing considering what I know about his daughter, Ellen. Great job Stan, you did well, really well! Peace.

“ To Maxine and the Redeker family,

Barbara and I were sad to hear of Stan's death and send our condolences to you at this hard time. He led a full and valuable life and was a model businessman and citizen, and a friend to so many. Our family ties go back generations, to the friendship between his parents and my parents. More recently, Stan was generous to me with his time and wisdom, and I remain grateful for having known him

“ Ginny and I are so sorry to learn of your loss of Stan, but these last couple of years were not easy ones for him. We are also sorry the last days were so difficult for the family as well as Stan. Life has its order, and Stan led an exemplary life. He was very involved in his community besides growing a successful business.

Maxine was his perfect match. They were both so gracious and greeted everyone with a smile. They were the kind of people you wanted to do business with. If you knew them, you knew how you would be treated before you walked in their door. Ginny and I still use the card table they gave us as a wedding gift so many years ago, and when we do, we think of them.

The entire Redeker family, the Boone community, and Ginny and I are all blessed to have had Stan as a part of our lives. Farewell Stan, rest in peace, and rest in God's love for you.

“ I have so many wonderful memories of my uncle Stan. He and Maxine and their family were a treasured part of my childhood vacations in Boone. Across the miles and the years, I am sending all my love and sympathy - from your New York niece, Ann Kari

“ I remember shopping for a desk when we moved to Boone. I was 7. My parents said I could get the desk but would have to wait for the chair. Stan gave me the chair. He, and Maxine, were always generous when asked to help with something in the community. Fred had many stories about "the old days ". He had a good story after moving back to Boone. I bet Maxine remembers that one. Stan will be missed by many. My sympathy to all of the family.

“ Our sincere condolences to the Redeker family from our family. Stan was a good man and will be missed. As my husband was building the new store he had many interactions with Stan and always came home with great stories of Stan's humor and good business sense. Over the decades many of our home furnishings came from Redekers as like Stan lived a high quality life, the products he sold were high quality. Rest in peace Stan.

“ It was a privilege for me to have worked for Stan starting when I was 15 years old until I was in my late 30's. A man who stood taller than any man I've known in my 80 years of life. God bless Stan Redeker and thank you for all you left for so many people and for the lives you touched. I will truly miss you. Tom Matt

“ When I was a high school Senior I worked for Stan at Redeker's through the Boone High School co-op program. Stan was the greatest. Such a kind gentleman. After graduation Stan (President of the Board of Regents at the time) helped me get a job at ISU, where I worked for 43 years. Fly high Stan. Thanks for everything. You will be missed.

“ Stan was such a nice man and neighbor. My girls can remember when he would be outside and they would run over and talk to him and how nice he always was to them. Clementine was such a great dog just like his master was a great guy. He always had time for the girls and treated them well. We will miss him. Joyce and Ray Gragg

“ So very sorry to hear about Stan's passing. Stan was a long time friend of my late parents, Oscar and Dorothy Dettman. They all conducted a lot of business with each other through Redeker Furniture and Yegge Lumber Company. I will always remember the kindness Stan showed me when as head of the State Board of Regents he agreed to speak to a journalism class at Iowa State where I was a student. The assignment was to bring someone to class for the group to interview. I asked Stan and without hesitation he said yes. He treated everyone with the same kindness. Stan was a true gentleman. He will be missed. My thoughts and prayers to Stan's family. God's blessings always. Kio Dettman
